

COACHES

Accreditation and Approach

At Karilee our coaches are our heroes. Not only do they choreograph and train our teams, and develop the skills of our team members, they are also providing a caring environment for some very young people.

All Karilee coaches are accredited with the Australian Sports Commission through Cali-ACT and have undergone significant training and development over many years to achieve their coaching certification. All our teams (except our seniors) have a principal coach, an assistant coach and one or two cadets (usually dancers from our Intermediate team who are training for their own coaching accreditation).

Code of Conduct

Our coaches...

- Never ridicule a participant, another team or Club, or coach publicly for their performance or making a mistake, or make adverse comments about officials, administrators, parents, spectators or on rules, results, or procedures publicly, unless during formal discussion and called to do so.
- Are reasonable and fair in relation to participants' time, energy and enthusiasm.
- Operate within the rules and spirit of calisthenics and encourage participants to do the same.
- Ensure the time participants spend with them is a positive experience. They accept that all participants are deserving of equal attention and opportunities and avoid "over playing" more talented dancers.
- Ensure equipment and facilities meet the required safety standards.
- Display control, respect and professionalism to all involved with calisthenics. This includes opponents, other coaches, officials, administrators, parents and spectators and they encourage participants to do the same.
- Obtain and maintain the appropriate qualifications and keep up to date with the latest practices and principles of growth and development of young people.
- Are aware that any physical contact with a participant needs to be appropriate for the situation and necessary for skill development.
- Abide by the broad intent and principles of conduct also provided to members, supporters and parents.

Head Coach

Karilee appoints a coaching co-ordinator each year whose role is to monitor coaching performance, work with the coaches in deciding the coaches and cadets for each team for the year, is a member of the Karilee Executive and provides regular reports to the Karilee committee.

COACHES - THE CORNERSTONES OF OUR SUCCESS
