

## **UNIFORMS and MERCHANDISE**

Karilee teams present an attractive and uniform image at competitions and concerts as all team members are required to wear the Karilee uniform. This can also be worn for training. We recognise that the cost of uniforms can escalate, so we keep the basic compulsory items to a minimum and operate a secondhand clothing system. Items in good condition, but no longer being used, can be offered to other team members at competitive prices. The following lists give an idea of the range of items that will be required, either initially or down the track.

Secondhand items are occasionally available and the Club welcomes items in good condition being returned to the Merchandising Officer for sale. If your items are sold, you will be contacted so the cash can be returned to you.
