Thank you

That's a wrap for the Calisthenics ACT Solo & Duo Season 2019. Many hands make light work - and we want to sincerely thank all coaches and competitors for their sportsmanship and taking care to be 'stage ready' to keep the comp running to time; to audience members for supporting their performers; to the adjudicating panel for their professionalism and diligence; and to the amazing competition delegates and club volunteers who gave up their time to keep the comp running like clockwork.

Extra special thanks to all the Karilee delegates and club volunteers for the work they did to assist with the smooth running of the competition.
