## Registrations for 2021

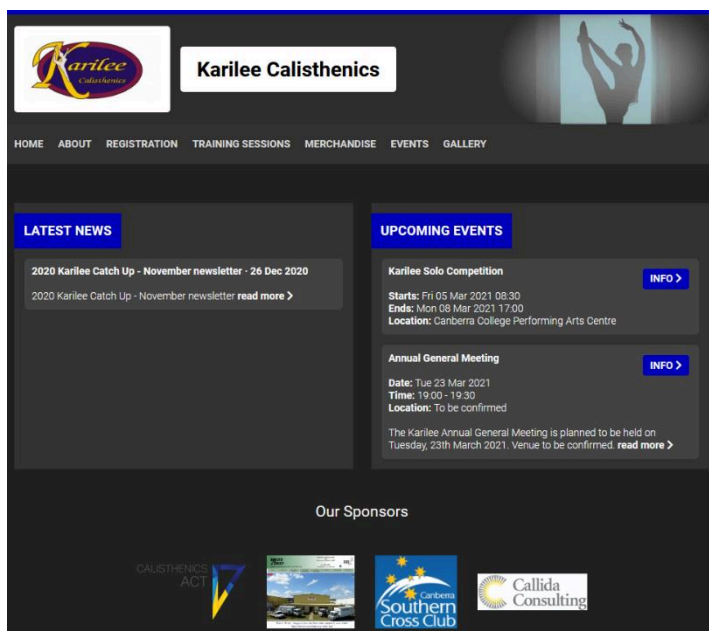

### Welcome back everyone!

Over the break Karilee has implemented a new online registration management system.

We have imported most of your data into the new [RevolutioniseSport system](#). You will receive an email with details to login and set your password for the online system.

**Please login from the email and review your information** then notify the Registrar if any updates are required.

An invoice for the Calisthenics ACT (Cali-ACT) registration fee will also be emailed to you from the online platform. This payment of \$80 is due immediately in order for you or your daughter to be registered with Calisthenics ACT.

There are also a couple of extra forms to complete, such as the medical form and declaration form. These forms are available from <https://karilee.com.au/registrations/> or they can be emailed to you following your registration. Members should complete and return these forms to the Karilee Registrar as soon as possible. Next year, we plan to incorporate these extra form into the system, if possible.

At Karilee we allow you to have a variety of payment options, for those who wish to pay by regular instalments rather than per invoice. [Open this link to see the amount and number of payments](#) to assist you to set up regular payments with your bank.

Training for all age groups (except Seniors and Masters) will start the week commencing Feb 1, 2021 (the first week of school) so please log on and confirm your registration details as soon as possible. If you have any questions specific to your age group please check the [Teams & Times](#) page for your team manager contact details.

**We look forward to seeing you all back at training early February for an amazing 2021.**

## 2021 Karilee Solo Competition

Karilee will run its annual Solo Competition from the 5th-8th of March at the Canberra College Performing Arts Centre. As most of you will be aware this weekend is our major fundraising event for the year, and we need your support to ensure its success. As you can imagine running a competition of this size and quality requires a huge amount of work, particularly in these strange times!

We need everyone's assistance to pitch in and make the weekend run smoothly. Each Karilee family is expected to assist with carrying out a duty over the weekend. Please set some time aside half a day over the weekend to help out in some way.

For our new families please come and help and then stay to watch for a while and see what signing up your daughter for a solo is all about! It's also a great opportunity to meet some of the other families.

Rosters will be available so you can choose a time slot that fits in with your other commitments. Please note that if you have more than one child at the Club we do expect that you fill more than one duty session. None of these duties require any previous experience just a willingness to have a go – they are all very easy. The duties will include:

- Theatre Door,
- Side stage door,
- Timers,
- Ticket box, and
- Canteen assistants.

We are also looking for some experienced assistance for the roles of stage manager, announcer and video operator.

We have a role for everyone so please ask if there is a role you are interested in but are unsure of and we will be pleased to provide training.

We would also normally ask each family to supply home baked goodies to be sold in the canteen, but this will depend on health restrictions in place at the time of the competition, so we'll get back to you on that one!!

Some of you may be thinking – I really don't need to help out with this, my daughter doesn't do a solo. While the competition is run for soloists - the aim is to raise additional club funds so that we don't need to increase your fees to excessive levels. In previous years, the funds have been used to subsidise each team member who travelled interstate to compete (that was Ballarat for everyone in Sub Juniors through to Seniors and the Sydney competition for the Tinies team). In 2020 these funds were used to provide the end of year Camp without the need to charge additional fees.

**Please consider how you can contribute as everyone benefits.**

**Just to get you thinking about when you may be available the proposed competition is as follows:**

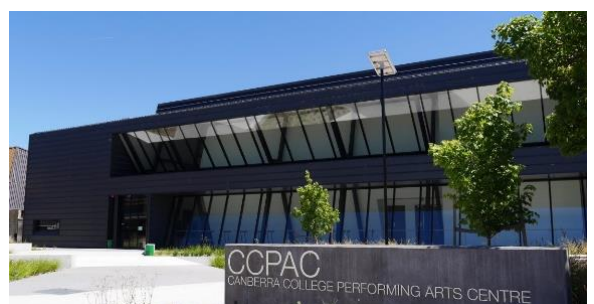

- Friday evening – All Duo sections
- Saturday – All Sub Junior sections and possibly one Senior section
- Sunday – All Intermediate sections and Seniors
- Monday – All Junior sections

We ask for volunteers to choose a duty that doesn't clash with your daughter's section if the duty is not inside the theatre as the theatre doors will only be opened at the beginning, middle and end of each section.

**Looking forward to seeing lots of our members at the 2021 Karilee Solo Competition.**

Can you guess the year?*

## New Coaches for Karilee

Karilee is pleased to announce our two newest Level 1 Coach. Congratulations to Kasey Galloway and Sarah Goodwin! We cannot wait to see what the future holds for Kasey and Sarah!

### Congratulations to Kasey Galloway

2020 is Kasey's 10th year with Karilee, starting calisthenics at the age of nine in our Sub Junior Team and progressing through to the Seniors Team.

Kasey began her coach training as a class assistant in 2016, then cadetted from 2017 to 2020 for our Sub Junior team.

Kasey says "I'm super excited to enter this new stage of my calisthenics journey and I'm looking forward to being able to contribute even more to the club that has given me so much over the years. Bring on 2021!"

### Congratulations to Sarah Goodwin

Sarah started calisthenics at aged four and has been assisting our Tinies team first as a class assistant and then as a cadet since her first year of Inters!

Sarah says, "I'm so excited to be able to offer more to the club that has been a massive part of my life, and give these girls the joy I had as a calisthenics girl."

**Karilee Camp**

Wow what an awesome way to end the calisthenics year! Hope everyone enjoyed the camp at Birrigai on 21st to 22nd November 2020. Karilee had over a 100 people out at Birrigai for our [#karileecamp2020](#).

Weekends like these cannot go ahead without the dedication and commitment from our wonderful volunteers! Shout out to Kari, Jacqui & Rachel for organising and coordinating the entire weekend and to Jacqui, Kylie & Debbie for feeding everyone.

Our specialist coach was unable to come from Adelaide due to Covid restrictions,. Many thanks to Kate Loveridge and her team from the [Innovation Calisthenics Club](#) for coaching and inspiring our Senior and Inters team, Subbies and Juniors team as well as our Tinies team via Zoom.

Also, many thanks to our Karilee coaches, Rachel, Merry, Simmy, Louie, Jodie and Nat who coached workshops or ran their activities during the Camp.

Thank you to our wonderful chaperones for looking after our girls, our committee, our coaches for their ongoing support and to our parents, families, and friends! Thanks everyone for such an awesome and fun weekend that finished with a whole club BBQ lunch on Sunday and a mini concert. The Tinies LOVED the dance taught by Kate and were definitely a highlight of the concert!

Here are a few photos from the weekend:

## Karilee Camp Newspaper Challenge

The Karilee Camp Newspaper Challenge at the Karilee camp was an amazing team bonding activity that was held after dinner on Saturday. Each team had to dress their model up as a character that was easily identifiable! Can you spot Ariel 🐠, Queen of Hearts ❤️, a bride 👰, cheerleader 📣, Mickey Mouse 🐭, a Chef 👨‍🍳 and Pepper Pig 🐷!? **Queen of Hearts came out the winner!**

**Go to the Karilee Gallery on the registration website for more great camp photos.**

## Karilee Participation Awards

At the Karilee Camp Concert in late November, our president, Karin Craig had the pleasure of awarding our participation badges. This small token represents thousands of hours of hard work and dedication from our participants to the sport of Calisthenics.

Receiving their 5-year awards were Bonnie, Isla, Deb and Olivia. Those receiving their 10-year awards were Kasey, Emily, Trinity & Jacqueline. Congratulations ladies!!

## Bring a friend 2021

Once again, Calisthenics ACT is running a Bring a Friend campaign for 2021.

In 2020, Grace Fitzpatrick from the Karilee Tinies Team was the first-place winner of the Calisthenics ACT Bring a Friend campaign.

**How this works:** If a current registered participant brings a friend along who is **new** to Calisthenics and the friend continues through the year to compete in both the Preliminary and Championship team competitions for 2021, then the introducing participant will be placed in a draw to win a prize.

Winners will have their club registration and part of their fees paid for by Calisthenics ACT for the following year. First prize is for \$400, second is \$300 and third is \$200.

Make sure you let your team manager know if you introduce one of your friends to Calisthenics when you register for your new team in 2021.

## Karilee Committee

The next AGM will be held on 23rd March 2021.

Join the [Karilee Committee](#) a get involved in the running of our club.

Please consider nomination for a position on the committee. There is a lot you can learn by being part of the committee. It is a great way to share your child's hobby. Be assured you will be given assistance to settle into the position.

Talk to a current [committee](#) member if you want more information or contact the secretary or president.

Meetings are generally held on the third Tuesday of the month from 7:30pm. During the current pandemic we have conducted our committee meetings online via Zoom. The committee will be advised when we resume face-to-face meetings, currently we are looking for a new meeting venue.

## Karilee Recruitment Classes

Early in December Karilee hosted our Come and Try 4-week series! We met so many wonderful new faces and we hope that they will return to join the [#karileefamily](#) in 2021

If you missed out, don't worry, the first two weeks of Term 1 in February 2021 are obligation free!
